ACR+ NEWS

01. ACR+ at the EU Green Week

As an ongoing supporter of the [EU Green Week](#), ACR+ is honoured to have been invited to become an official [Associate](#) of the initiative. This recognition from the organisers is very important for us, as we are **highly involved** in the organisation of several EU Green Week conferences and side events:

- 15 May: the [EWWR Awards Ceremony](#), from 10:15 until 12:50h CET
- 15 May: [How to TACKLE the environmental impacts of football and other sporting events](#) from 16:30 until 18:00
- 16 May: [Cities delivering a better environment through the EU Urban Agenda](#), 11:30 to 13:00, with [The Hague](#)

ACR+ members and partners will also be very present during the week:

- 13 May: [BCNEcologia](#) will organise a [PAYT - Pay As You Throw Workshop](#) in Brussels.
- 14 May: [Citeo](#) will organise a talk on [Circular waste management: implementation through innovation](#)
- 16 May: The Province of Navarra in Spain will organise an event on [Good practices and lessons learnt on waste prevention](#) featuring [Lipor](#) and [Bruxelles Environnement](#)
- 16-17 May: ACR+ member [Wcycle Maribor](#) and partner [Circular Change](#) will organise the [Circular Change 4th Conference 2019](#).

A complete overview of our participation in the initiative will soon be made available on our website. If you see us at one of the abovementioned events, come say hello!
